ORDER

Before: LEAVY, Circuit Judge

On September 21, 2004, at 9:30 a.m., a case management conference will be held in the above-referenced consolidated petitions for review at the United States Court of Appeals for the Ninth Circuit, in San Francisco, California.

01-71051, et al.

All parties to the consolidated petitions for review are required to attend. Attendance is strictly limited to one individual representative per party. If a law firm represents multiple parties, the law firm shall designate one attorney to represent all parties at the case management conference.

The case management conference is not intended to inhibit or discourage any on-going settlement efforts involving these or related petitions for review.

To the extent practicable, the conference will address case management issues in related proceedings.

Each party shall return the enclosed attendance confirmation form to the court by facsimile at (415) 556-9725. The form is due by September 3, 2004.

All telephonic inquiries regarding the case management conference shall be directed to the court's designated conference telephone number (415) 556-9909.
